**DLH/COVID-19/ Medical Facility/2021**

**Dated: 19/04/2021**

**CIRCULAR**

As all of you are aware that COVID-19 cases are rising exponentially in the country and particularly in Delhi and as a result people are finding it difficult to get the beds in the empanelled hospitals.

In order to augment the medical facilities at Delhi, the DRDO office has set up a Sardar Vallabhbai Patel Covid Hospital near the domestic airport, Delhi Cantt. The capacity of the hospital is 1000 beds including 500 ICU beds.

The matter has been enquired and it has been told that anybody can approach the hospital with Aadhar Card and COVID-19 positive reports. The helpline numbers are as under:

**011-26655547, 011-26666949, 011-26655549, 011-26655548, 011-26655959, 011-26655969,  
7835964326, 36, 48, 49, 54, 63, 70**

**Control Room No. – 011-26655530**

**Ambulance No. (With oxygen) - 8826325066**

In view of the above, it is informed that in case employees and their dependants are not getting admissions for COVID-19 in empanelled hospitals then they can approach the above hospital for treatment.

This is for the information to all concerned.
