Sh VP Mahawar	Vice-President

Sh KC Gupta	Executive Member

Sh SC Gupta	Executive Member

The extra-ordinary meeting was called by the President virtually on 4th of December 2022 through zoom link to discuss recent indecent comments and postings of Sh SC Gupta, EC member on the common platform of EOEWAA and EC EOEWAA against Sri Shivdayal ji who happened to be the senior most EC member of our Association EOEWAA, Delhi. Sri Gupta was inducted as EC member considering his interest to provide his services to our members being located very near to our office. Though he started to come to office and provided his services to members but he has a tendency to criticise other senior members and did not hesitate to pass bad comments against other members of EC without any provocation. Even immediately after his joining as EC member he sent messages to President and Vice President commenting on performance of other senior members of EC which was not appreciated by both President and VP as such things never happened in the past as it is not decent on part of any EC member to

comment against any other member of EC as every member of EC is helping the Association to perform its duty and responsibilities. He was warned verbally by VP not to do so in future. But recently he has again given abusing comment against Sri Shivdayal ji and his family in a common platform of WhatsApp without any provocation from Sri Shivdayal Ji, who though is more than 85 years but does most of the physical works of the Association. He has been holding the post of Treasurer of the Association since inception and his performance is exemplary and no negativity has been heard/seen of him. Sri Verma, VP has also informed EC that not only Sri Gupta posted comments against Sri Shivdayal Ji in WhatsApp platform but also he has been speaking to other executive members against Sri Shivdayal ji .

The matter was deliberated in EC and all members participated in the discussion and commented that such things has never happened in the past and is not good for Association's work. Such behaviour from a member of EC is unprecedented and so warranted suitable action against Sri S C Gupta to avoid these things in future.

The President then asked Sh Gupta to explain his version who did not speak much but only said that whatever he posted and commented against Sri Shivdayal ji which he heard from other members of the Association which did not satisfy EC as he has not right to criticise or attack a senior member in public platform based on comments of others without any reason. Sri Shivdayal ji has not reacted on the comments of Sri Gupta so far though it has affected his personal image and prestige. This shows his maturity and deserves respect from all of us..

Considering Sri Gupta's indecent comment against other senior EC members in the past and of recent comments against Sri Shivdayal ji and his Family, EC unanimously decided to dispense with the services of Sri Gupta forthwith.

Accordingly Sri S C Gupta will not be a EC member from immediate affect.

Further in view of vacancy of one EC member as above, it was decided to co-opt Ms Sunita Khanna Ex DGM HR,former In charge, retirement cell, Delhi. This was also approved unanimously by EC.

It was also decided to hold elections for all the posts of EC which is overdue and a circular has to be issued to all the members asking nomination against various posts of EC. Date of elections and procedure of Election shall be notified later. This may be posted on EOEWA.

The meeting ended with thanks to the chair
