

## CIRCULAR

It has been proposed to celebrate Silver Jubilee of EX ONGC EXECUTIVES WELFARE ASSOCIATION on 31<sup>st</sup> October 2022 as a day long picnic at a resort “LOHAGARH” about 25 kms from HUDA CITY CENTER Gurugram.

Website of the resort is <https://www.lohagarhfarms.com/>

Members are requested to visit the website for information on the resort.

To facilitate participation in large numbers of members and their spouse, buses shall be deployed to pick the members from various locations in Delhi, Noida, Ghaziabad and Gurugram in the morning and drop them back at the same location after the program is over in the evening. For this arrangement, it is necessary to know how many persons may be boarding at which places.

Members are requested to let us know a convenient, but common pick up point for them like Metro station/Mall etc where the bus can be parked and other members from nearby places also may be able to join.

Further, on the occasion of our silver jubilee, we intend to publish a souvenir as has been done on some earlier occasions also. We invite members to contribute their self composed stories/ articles/ poems/ jokes/ anecdotes etc (in hindi or

english language only) and drawings/ paintings /artistic or special occasion photographs of general interest etc for publication in this souvenir. We also invite volunteers who have the skills, time and inclination to edit such literary work, and bring out a presentable souvenir, to offer their voluntary services.

Kindly convey to the Secretary by 15<sup>th</sup> September 2022 –

- i) Whether joining picnic with or without spouse
- ii) The preferred location of pick up point for the picnic
- iii) Volunteering for editing work.
- iv) Any further suggestions for celebration of our silver jubilee.

Invitation for articles for the souvenir shall be sought after finalisation of the editor(s).
